2.1.4 Any dog not in possession of a SchH 1 or IPO1 title that has passed all three phases of a IPO1 test, irrespective of whether such phases were passed over several trials, will be awarded the title of P-IPO (Phased IPO) until a legitimate IPO1 title can be obtained.

A dog that has obtained P-IPO (or previously PSchH) in this way may not enter IPO2 until it has completed a IPO1 in the conventional way (ie: all 3 disciplines passed at the same trial). Similarly a dog that has P-IPO may not enter a National Protection dog Championship until an IPO1 title has been earned at a single trial.
